THE SERVICEMAN'S CORNER:

Hi, gang! Got quite a few letters this week--so will print as many as possible here. A bit of bad news for all of us, tho---the news that Bob Tann, son of Mr. and Mrs. Herb Tann of 73 San Benito Road--has been wounded in the bloody battle of Korea. Cpl. Bob Tann, USMC, is now aboard the Hospital ship U.S.S.REPOSE, recuperating from wounds in his right arm and leg. Good news, though--is the fact that Bob was able to dictate letters to his folks via our own Navyman Don Robertson, who is stationed aboard the REPOSE. Mr. and Mrs. Tann were on a trip to Colorado when the telegram arrived here about Bob--so they knew nothing about it until they returned here early Saturday morning--but the blow was softened by the fact that letters had also arrived in the meantime, from Bob's Chaplain, and from Bob himself--so that the telegram about his being wounded was not received alone. There has been no further news here about how Bob is getting along--so we will try to keep you posted, as news is received.

Now for the letters:

FT. BRAGG, CALIFORNIA
Sept.1 :51

Hello, Reeces:

Just a few lines to let you know I'm still alive and kicking. I'm still here at Ft. Bragg, and there's nothing much new since I wrote last. We had maneuvers the end of last month, and it was a welcome releif to get back to the base. The only exciting part was our jump--which was a mass jump of four thousand men. Believe me, it's a thrilling sight to see all those parachutes in the sky! Our company passed with a superior rating, so we all drew three day passes when we got back.

I'm sending a couple of snapshots for your office window. One was taken outside our barracks, and the other was taken while we were waiting to jump, on maneuvers. It will give you an idea of what we have to carry along with us.

I guess that's all for now, so will close by saying--"Give my regards to Brisbane"--and thanks for your very nice letter.

As ever, BOB CARTY

Somewhere in Korea
19 Sept. :51

Dear Mr & Mrs Reece:

I wish to thank you both for sending me the Byline. I was really surprised to receive it--and it made me quite happy to read the news of our town. I had no idea my brother had sent you my address, but I am glad he did. I wish I had a snapshot to send for your window, but I haven't any. If I can ever get someplace where I can send one, I will certainly do so. My wife is also trying to get a snapshot from me, so I think I'd better get some! I think I will be able to do it soon.

I got a letter from John Zgraggen, I wish you would send him the Byline, too. I am enclosing his address. Can you imagine him as a cook? No wonder the chow is so terrible! He's also over here in Korea.

I am not much on letter writing, so I had better close for now. Hope to see you in the near future--

Yours truly, RICHARD WAKELEE

MARE ISLAND, VALLEJO
21 Sept.:51

Hi!

I got a Byline today--so I thought I would drop you a line. I am not at the Naval Hospital anymore--I'm guarding prisoners at the Post Brig.

I'm sorry I haven't been able to see you folks lately, but have been spending most of my leave time in Daly City.

I just heard that Bob Tann was wounded. If you get any more information on him, please let me know as soon as possible?

I have to go on duty now, so I will close--

yours, ED BARON

* * * * * * * * * * *

Well, there you have them, gang. All except the one from Larry Jenkins--on which he wrote "Don't Print!"--bashful, I guess. Anyhoo--he wrote to say that he was getting the Byline okay, although a little late. He has been on the Honor Guard at the Korean peace talks--but is now back "on the line". He says the only trouble with being on an Honor Guard is that one's arm gets pretty tired, what with all the saluting going on! And he also ends with a P.S. saying "the girls here stink!"---now, I wonder if he means that literally, or figuratively??? Or bothh???

In regards to Eddie Baron's letter above, asking about Bob Tann--well, we've already answered that, in the first paragraphs. In regards to Bob Carty's letter, his two snapshots are already posted up on our office window--and you should see the gear that poor guy has to pack around. A mighty nice looking para-trooper he make too!

In regards Dick Wakelee's letter, we waited a long, long time for his address so that he COULD get free copies of the Byline. We have about seven or eight fellows in service, for whom we have no addressed---and they should be getting the Byline every week! Among these are DON CASEY, HERB GAGNIER, (who was transferred just recently from Fort Bragg)--RENE JENNETT, TED VAN KIRK, GLENN STACER, "SONNY" COSSETT, and now--MICKEY HUNTER, & JOHNNY O'RYELL--who have just left for San Diego--reporting back for duty after leaves at home. There are some fellows in Service from here of whom I do not even know--as their folks haven't reported them to me. According to latest count--we have 56 in Service, or more.--YE EDITOR

FIRST FALL MEETING OF BRISBANE P.T.A.:

The first Fall meeting of the Brisbane Parent-Teachers Association is scheduled for Thursday evening, September 27th, at the school auditorium, at 8 P.M.

Miss Avis Frink, public health nurse for Bayshore and Brisbane, will be present to show a film. This film should help us to know what we are entitled to in public health services for our tax dollar. Harold Woodward, 7th grade student, will play several selections on the piano. Kindergarten mothers will act as hostesses. At this meeting room mothers will be introduced to the teachers whose class they were chosen to represent.

Mothers and fathers are asked to write suggestions about any project they would like done for the children of Brisbane, and place them in the suggestion box at this meeting. The executive board will consider and vote upon them, and choose several which will be worked upon as a P.T.A. project for this term.

RED CROSS BLOOD BANK NEEDS DONORS:

According to Mrs. Henry Bostwick, Chairman of San Mateo County Red Cross Blood Bank--authorities are deeply concerned over apathy to urgent requests for blood. Altho Generals Marshall, Bradley and Ridgeway have grimly announced that the reserve supply is almost completely exhausted, the total secured last month was only 472 pints, or exactly 228 shy of the new 700 pint quota established Aug. 1st.--LARRY PERKINS, Editor, "WHAT'S DOING AT RED CROSS".

SHARK DERBY THIS SUNDAY:

Coyote Point's Shark Derby promises a lot of excitement and thrills this coming Sunday morning, Sept. 30th--beginning at 8:00 a.m. A record number of over 1500 fishermen & women are expected to compete in the fifth annual Shark Derby, for $1500 in merchandise prizes to strive for. The anglers will start out from Coyote Point Yacht Harbor and fish from shore, from piers, and from boats.

Anyone may compete--fees are 50¢ for adults, and 25¢ for children. Entrants must furnish their own boats, and those 16 years of age or older are required to have fishing licenses. Bait, hooks, and other fishing supplies will be on sale at the harbor.

At 3:45 p.m. King Neptune and his Queen, the winner of the beauty contest held last Sunday (20 year old brunette Paula Taigen of Burlingame), will rise out of the waters of San Francisco Bay to crown the winners of the Shark Derby.

Co-sponsored by the San Mateo Lions Club and the Coyote Point Yacht Club, the event has attracted national attention and has brought thousands of spectators to San Mateo County. Proceeds are used for many worthy and charitable causes.

LIST OF AGENCIES SUPPORTED BY COMMUNITY CHEST "RED FEATHER" CAMPAIGNS:

Of interest to John Q. Public, who is the "Dear John" who so willingly empties his pockets at Chest Drive time, is the list of agencies which the Community Chest of San Mateo County supports.

Among these agencies, without whom this Nation would be in a sorry plight, are THE VISITING NURSING ASSOCIATION: THE CHILDREN'S HEALTH HOME: THE SAN MATEO COUNTY BLOOD BANK: COUNCIL OF SOCIAL AGENCIES: CATHOLIC SOCIAL SERVICE: FAMILY SERVICE AGENCY: GIRL & BOY SCOUTS OF AMERICA: YOUNG MEN'S CHRISTIAN ASSOCIATION: WOODSIDE RECREATION & YOUTH ACTIVITIES COMMITTEE: PENINSULA JEWISH COMMUNITY CENTER: SOUTH SAN FRANCISCO COMMUNITY CHEST, and many others.

Any one of these agencies is of immediate use to any resident of the Brisbane area, but the two which would be of most importance to us here possibly are the Visiting Nurses and the South San Francisco Community Chest. Any needy person may call any agency on the above list---that's what your contributions are for.

Incidentally, watch for the "GOT A MINUTE?" POSTERS, SOON TO APPEAR IN YOUR LOCAL STORE WINDOWS!

CHILD HIT BY CAR ON SAN BRUNO AVENUE:

Almost too much of a coincidence, and almost too tragic to be funny--just one day after our editorial appeared in last week's Byline in regards speeding and traffic dangers on San Bruno Avenue, our prophecy came true.

Little Rogue McLain, 4½ years old, and the son of Mr. and Mrs. Howard McLain of 485 San Bruno, was hit by a car driven by Mr. Clifford Sudderath, of San Benito Road. According to witnesses, the little boy ran out in front of a parked sedan at the same moment Mr. Sudderath turned out for the parked car. Happily the young lad was not severely injured, although his uncle and aunt, Mr. and Mrs. Richard Sioss of 538 Sierra Point Road took him to the South San Francisco Hospital, where he was treated for cut and bruised eye and lip. The accident happened during the noon hour last Saturday, Sept. 22nd, in front of Cleary's Grocery on San Bruno and Santa Clara Streets. WHO WILL BE NEXT???

TWENTY YEARS AGO:

According to the Burlingame Advance, these were "hot" news items of twenty years ago:--

"The Ratteree Brothers Company, which provides water to residents of Visitacion Valley in North San Mateo County, complained that customers were tampering with meters so that the company was losing a lot of money. Company officials asked the public utilities commission to double the flat rate charge to customers."------and-----

"The San Mateo County Grand Jury was probing extensive liquor racketeering in the north end of the county."

also----

"Secretary of State Henry Stimson said he hoped a peaceful solution could be found to the fracas between China and Japan over Manchuria."
